Until that time when you step on stage as a pro, you can compete in amateur competition. If you don't compete a pro with the USBF by 31 December 2017, you will lose your "Qualified Pro" status.</b> |                        |                  |                  |                                    |
