**DRUG TESTING! Everyone must take a polygraph test before the show
or you will not compete!**

Included in entry fee- this is a drug-tested contest and urinalysis is the testing method. The USBF has adopted the IOC's Anabolic Steroid Banned Substance List that includes related substances such as Andro (converts to testosterone) and 19-Nor (converts to Nandrolone). The fact that a substance is sold over-the-counter does not automatically make it acceptable for drug tested competition. As a competitor that chooses to compete in drug-tested competition, you are responsible for being knowledgeable about the supplements that you consume. Promoter has the right to randomly test anyone who is believed to be not drug free along with the winners of the show. We will polygraph.
